National Council of Architects, Planners, Landscapers and Curators (CNAPPC)

It is with deep sorrow that we learned CNAPPC President Prof. Arch Raffaele Sirica, our respected colleague has passed away.

We would like to express our condolences to our Italian colleagues and send our best wishes in this difficult time. We had found various nice occasions to meet him during the process of the UIA 2008 Torino Congress.

Please forward our deepest sympathies also to his family.

Yours sincerely,

Bulend Tuna
CAT President
