Dear Secretary General,

With the deepest grief we have learned that Prof. Raffaele Sirica, our respected colleague has passed away.

We would like to express our sincere condolences to you and to his family on this lost and we are sending our thoughts and best wishes in this difficult time.

We did know Prof. Sirica from his international work within the International Union of Architects (UIA) and always admired his kind-heartedness, his dynamic and active character as well as his concern for our shared aims with the UIA.

Please take our deepest sympathies and forward them to his family.

Very sincerely

Prof. Dipl.-Ing. Arno Sighart Schmid  
President Bundesarchitektenkammer

Dipl.-Ing. Nina Nedelykov
